

DIAMOND PRODUCTS PRESS RELEASE

****FOR IMMEDIATE RELEASE****

MAXIMIZE YOUR PERFORMANCE

Diamond Products is pleased to announce a new, enhanced Heavy Duty Orange high speed diamond blades called the **H.D. MAXX**.

The **Heavy Duty Orange MAXX** offers the same Heavy Duty quality that you've grown to trust with an even longer life and faster cutting performance. This blade features heat isolation slots in the segment that keeps the blade cool during high speeds which extends the cutting life. The blade core has angled gullets for even more cooling action. These features along with the high quality diamonds create the ultimate blade for life and speed that you can rely on.

The H.D. MAXX is offered with all the bonds of the previous Heavy Duty Orange high speed blade:

- H7H - Reinforced concrete and hard materials
- H8H - General purpose cutting
- H10H - Asphalt, green concrete, brick and block

The sizes available are 10" diameter through 20" diameter.

The H.D. MAXX high speed diamond blades are available through your Diamond Products distributor after January 1, 2015.
