For Immediate Release:

Diamond Products Introduces New Core Cut™ A2Z Vacuum Bonded Blade

ELYRIA OHIO - Diamond Products, announces the addition of its new Core Cut™ A2Z Vacuum Bonded blade to its line of specialty diamond blades.

This new blade cuts everything from A to Z like asphalt, concrete, fiberglass, metal, stone and more. The A2Z Vacuum Bonded diamond blade is also great for rescue and emergency situations. This blade is offered in sizes 4-1/2", 7", 12", 14" and 16" diameters and work well on the SpeediCut-XL high speed hand saw.

More information on the Core Cut™ A2Z Vacuum Bonded blade is available by calling Diamond Products at (800) 321-5336.
